Subject: Area 3 Sampling Plan

---

Jeff,

Not sure if you have completed your review of the Area 3 Sampling Plan. However, I completed my review and I don't have any comments. I read MDEQ comments and as I indicated from our FIELDS group, I can live with either the 30 or 49 incremental sampling approach. I want to provide GP an approval and/or comments if you have any by Monday 7/8. That way we can get them in the field asap.

Jim
